FORWARD

Because we feel that our high school days are important; because we believe that what we received here educationally and socially is worth remembering, we have composed this book. It will serve as a record book of memories at times in our future lives when we wish to reminisce over friends, fun and forgotten fancies. And it will bring back in part, the happiness and tears of four wonderful years spent here.

DEDICATION

To our classmates who are serving in the armed forces on all the battlefronts of the world; to the soldiers, sailors, marines and air men who protect the land, sea, and air: we dedicate this book as a token of our admiration. It is dedicated in recognition of their gallantry, bravery, and patriotism with which they are helping to win this struggle against the forces which are attempting to destroy our method of living.

A WORD FROM THE EDITOR

Upon the shoulders of the youth of America will be placed the very future of the country in which they live. Whether those shoulders will be broad enough to take up such a task is a question which only time can answer. But if the spirit and determination with which they are fighting this war is any indication of what they will do with their jobs after the war, then you can place your trust in them without the slightest hesitation.

We who graduate from high school this spring are a part of that youth. Many of the boys of our class have left to serve with the armed services. Those who are still here will in all probability be going soon to receive training. Those of us who are left will play a part, even though it be small, in the shaping of the future.

Whether we be great or small shall make no difference in the end so long as what we do is done well and with belief in the rightness of our task. Our school shall have played an important role in shaping our characters and attitudes. Our families, too, are a factor which must not be overlooked. Whatever it is that does the most for us does not really matter, it is rather the fast that working together, they produce the best kind of people to be found anywhere on earth, the American people.

Past, present and future, they have been and will be outstanding. Not because they did rash acts of destruction, but because they have been idealists who had the courage to push their ideas ahead to reality. Despite all the preachings and scoldings about juvenile delinquency, we who are the youth of today and the American nation's governor's of tomorrow's world believe now and shall continue to believe that we have within us all the qualities which have destinguished Americans in the past. We are fighting more intensely today so that tomorrow we may be a living proof of it because tomorrow will belong to us.

A word from our Principal

The termination of the school year 1944 finds our former students and graduates on the battle fields in all theatres of the war, the ocean, and the air.

These are times that require unselfish service and sacrifice on the part of our men and women. Their experiences will play a large part in the determination of our policies toward other people and our position during post war rehabilitation.

A word to our Board of Education

Behind every improvement and advancement in our school and its system lies the work of our Board of Education. We have them to thank for one of the most modern, up-to-date, schools in this area. Our newest addition was a paved driveway.

Although it may be seldom that we show our appreciation we would like them to know that we do realize what a grand job they are doing. So it is that we dedicate this space to them in gratitude for all they have done.

SENIOR CLASS HISTORY

A freshman class came to C.T.H.S. back in 1940 B.R. (before rationing). It was a very fresh freshman class. We took our share of duckings and hazing manfully. Well, we took it anyway. Our officers that year were John Gibson, president; Herbert Deprive, vice president; and Natalie Krause, secretary-treasurer. We were sponsored by Miss Harriette Baily. Our most notable even that year was a skating party.

In our Sophomore year we were ably led by Bill Doman, as our president; Ann Roman, vice president; and Emil Valencia, secretary-treasurer. We had a skating party that year and also a class party, both of which were successes. Lois Wickerham was our sponsor that year.

In our junior year we decided to let the same officers who led us so ably through the sophomore year to again serve as our leaders. That year the war came close to us and we lost several classmates to the armed forces. During our first three years, we were well represented in sports, dramatic work, forensic work, Mike Staff and various other activities.

To lead us through our final year we chose Bill Reeves as our president, Steve Budny, vice president, Ann Roman as our secretary, and Edward Wesko, treasurer. This year we had many outstanding players in football and basketball as well as members in the F.C.A., "C" club, Dramatic Society, Mike Staff, Honorary Society and the band. A Thanksgiving play entitled "Scotch Grace" was presented by members of the Senior class. Of course, the most memorable event was the Senior Prom which was held in a beautifully decorated gymnasium with Johnie Mexie's orchestra furnishing the music. Now as we come to the end of our Senior year; some to go into the armed forces, all to go to a new life, we hope that we will all use profitably the experience and learning we have received at dear old C. T. H. S.

THE GRADUATES' CREED

This is my diploma. It is a documentary symbol of free public education upon which rests the perpetual being of the democratic form of government. It signifies the completion of the requirements for graduation from high school as determined by qualified authorities.

I believe that the effort which I have made to obtain it will be rewarded with opportunities and achievements in life which could not otherwise be obtained.

I believe that these have been the formative years of my life and that this diploma will keep me ever mindful of:

An obligation of obedience to and achievement for my parents to reward their years of patient toil and sacrifice to provide opportunity for me.

An obligation of appreciation to my teachers for their unceasing efforts of guidance and wisdom in the fullest development of my physical and mental abilities.

An obligation to my community for its faith in the support of institutions which mold young men and women into the fullest realization of their individual and social value.

I believe that my diploma is a master key to the treasure chest of memorable activities in fellowship and association with my fellow classmates all of whom have made valuable contributions to my social development.

I believe that all of the powers which I have developed have been the total influence of society and that it is my duty to use them not alone for my individual gain but for the betterment of mankind, everywhere --that it is my duty to protect and preserve all of the inherent privileges and opportunities of my diploma for the generations to come -- that it shall be wisdom to guard and keep it safe against enemies for it is a passport into the hearts and minds of free men, everywhere.

May God be willing, I shall with all of my strength and abilities abide with and keep all of these obligations which I have taken in the acceptance of my diploma.

JUNIORS

JUNIOR CLASS HISTORY

In September, 1941, we entered the halls of Cumberland Township High School, scared stiff and very much in awe of every little thing which occurred. During our freshman year we didn't do much except elect officers and tentotively offer a few of our members to various clubs and sports.

For our officers we chose Joe Lorinchak for president, Claire Barclay for vice president, and George Bruce for secretary and treasurer. These officers served us throughout our sophomore year also.

In September, 1943, we entered the same halls, but we were very much changed, much older, much wiser, and very well known by this time. We found that we had become firmly established at Cumberland. This year we again elected Joe Lorinchak as president; George Bruce became our vice president, and Rudy Turlosky, our secretary-treasurer.

Our boys were outstanding in the field of sports--Rolko, Poluk, Markulic, Pukish and the Biulko brothers represented us in football; and Bruce, Lorinchak, Turlosky, Rolko, and Rumancik took an active part in basketball. Other students become active in F.C.A. the Mike Staff, the Honorary Society, Girls Chorus, the Girl's C Club, the Press Club, and the band. We have at last become an active part of our high school.

Our class officers have selected the class colors, flower and motto. Their choice is as follows:

color--green and white
flower--red rose
motto--"Do your best and a little more."

We shall try to keep this motto in mind as we take our places as seniors next year, and we hope we can fill the place of the seniors to whom we are bidding farewell.

SOPHOMORE CLASS HISTORY

Colors: Lavender and White
Flower: Lilac
Motto: Always foreward, there's room on top

"How time flies" is a phrase we are beginning to understand. It seems like yesterday that one hundred and fifty freshies entered C. T. H. S. We came through our freshman year breathlessly but triumphantly to start school again as sophomores.

At the beginning of the year we held an election. The results of that election is as follows: president, Mary Lorinchak; vice president, Joe Katusa; secretary, Phyllis Andrews and treasurer, Katherine Sudar.

Our boys were active during the year in school sports. Billy Franks and Paul Negrin represented us in basketball, and Bob Zadel, Jim Guesman, and Carl Allison represented us in football. The girls were not to be outdone by the boys, for the sophomore girls in Room 1A came through as champions in the Girls' Intramural Basketball Tournament.

Our social activities which were limited to two sweater hops were successful both socially and financially.

As school closes, we are hoping for a world of peace and wondering what it has in store for us.

To the seniors go our very best wishes for their success in whatever they may choose to do.

ACTIVITIES

More than ever before we are beginning to realize the value of sports. Right now they are playing an important part on both the home front and war front. While we are developing the young men physically we are teaching them to cooperate, to take orders, and to make decisions all of which will prove invaluable in any phase of life. This year aside from a large number of our boys who took advantage of participating actively in football and basketball, our vast following of sports fans were indeed treated to some thriller games.

The close of the football season found us in second place in the county. We won 3 games, lost 2 and tied 1. Four of our boys were chosen on the All County Team. They were Grila, Bystry, Ralko, and Buday. Kostak and Kaprive were given places on the All County Second Team. Our record for the season was as follows:

C. T. H. S.	19	East Bethlehem	0
"	12	Centerville	0
"	0	Masontown	0
"	20	Waynesburg	19
"	7	Glassport	19
"	6	Jefferson	7
Total	54	Total	45

This year due to gas rationing we did not enter the sectional contest but we did play the best teams in Greene, Washington and Fayette Counties. Out of 18 games played we won 14. Five of our boys rated among the ten highest scorers in the county. They were J. Rumancik with a score of 202, Bruce 141, Maskil 134, Lorinchak 114 and Ralko 77. Our record for the season was as follows:

C. T. H. S.	50	Trinity	30

NATIONAL HONOR SOCIETY

The National Honor Society started this year with a very small group. Because of the size, we were not very active. In order to remedy this we revised our constitution in January, to include those students who were very active in clubs and athletic organizations. Membership was formerly limited to Juniors who had 8 A's in three semesters and to Seniors with 14 A's in five semesters. After the revision we were able to include Juniors who have 4 Scholastic A's and 4 Activity A's, and Seniors who have 7 Scholastic A's and 7 Activity A's. An activity A is given to members in any accredited club or organization in school. To be president of an organization is considered 3 A's and any other officer 2 A's. On this basis we took in five new Senior members and twelve Juniors. This swells our total membership to 22. From now on we hope to be much more active. The president of the society is Estella Krause and the Secretary-Treasurer is Robert Titus. We are sponsored by J. William Kerr.

DRAMATIC CLUB

The Dramatic Club, composed of about thirty members, was newly organized last year. Miss Frances Goodwin organized and sponsored the club. Our officers this year were James Cole, President; Clara Barclay, Vice President; Esther Lee, Secretary; and John Hathaway, Treasurer. As is the case in most of our activities, the Dramatic Club suffers from a slight man shortage, but the senior boys came to our rescue and co-operated splendidly. The Club presented plays at Thanksgiving, Armistice Day, and Christmas. They also presented two short comedies in April. Among the actors and actresses we noted some real talent. The purpose of the club is to promote an appreciation of dramatics and to help the club members develop their acting ability.

BAND

The most colorful and active feature of our school is the band. After losing so many of the original members through graduation, the band is, of course, smaller this year. But the boys and girls now composing this organization are working hard to keep it up to the high standards that have been set for it. Under the leadership of Mrs. Evelyn Funk, they have played for athletic meets of various kinds and paraded for patriotic programs as well. We hope that in spite of all the shortages of both material and men the band will keep on, because the sight and sound of one's own school band is something of which every student is proud. In addition to promoting our school pride and adding color and gaiety to our school function, the band is offering invaluable experience to those participating.

FUTURE CRAFTSMEN OF AMERICA

The F. C. A. has been a very active organization this year. Although Allan Ewart, the president, has gone into the Air Corps, Bill Stockdale as vice president has ably taken over. The secretary of the club is Arthur Biddle; and the treasurer, Russel Stephenson. The sponsors of the Future Craftsmen of America are the shop teachers, Mr. Vail and Mr. Gavlak. A letter is given to all graduates of C. T. H. S. who belong to the club. Letters are to be given this year to Allan Ewart and James Cole. The present membership of the F. C. A. is fifteen. The organization has sponsored two sweater hops this year and they now are planning a banquet near the end of the school year at Cuppies. The F. C. A. has also been helpful in the war effort by making spotter model airplanes and for the Junior Red Cross they made ashtrays, tables, and lamps.

"C" CLUB

The girls' "C" Club, sponsored by Miss Harriette Baily, is the only organized athletic group for girls in the school. Membership is obtained upon making 1,000 points. Points are awarded for gym work and activities. The club sponsored two sweaterhops this year and bought pins for new members. They also sponsored the Girls' Intramural basketball tournament for which "C's" were awarded the champions. Viola Ciosnak is president of the organization, Estella Krause is vice president, and Gloria Zadel is secretary-treasurer.

THE MIKE STAFF

In spite of shortages and other such obstacles, the Mike staff undertook to continue publishing their "Mike".

The staff has not been as active as they would have liked; but they did their best, and they hope that everyone was satisfied.

One of the main reasons the "Mike" was published again this year was to keep our alumni in the service posted on school activities. Each of 65 boys receives a Mike each time it is published. In their many letters to Mr. Ridenour, the editor, and the staff, they leave no doubt of their appreciation. If the "Mike" has given them any pleasure, we feel more than repaid for having published it.

JOKES

Richard D: "My grandpa wuz in the Civil War, and he lost a leg or arm in every battle he fot in!"

Ed Weido: "Gee, how many battles was he in?"

Richard: "About 40."

Rud, T: "I have a splinter in my finger."

Jim Maskil: "Been scratching your head again."

Mr Kerr: "George have you been doing any outside reading lately?"

G. Kostak: "No, Sir, its been too cold."

Bob Rice: "I want a corset for my wife."

Saleslady: "What bust?"

Bob Rice: "No, it just wore out!

Mr. Hathaway: "Everyone stand up and recite the Prayer, if you want to go to Heaven."

Everybody got up but John H.

John H: "Yes, but I'm not ready to go yet."

Teacher: "Make a sentence with three words, defense, defeat, and detail."

A little Negro boy: "A fox jumped over de fence, first de feet and then de-tail."

Robert Miller: "What is college bred, Dad?"
Dad (with son in college): They make college bread from the flower of youth and the dough of old age."

Teacher: "What do you call a man who keeps on talking when people are no longer interested?"

Student: "A teacher."

Couldn't Be A Better Answer

A Friend: "What are you taking up in school?"

Elmer B. "Space."

Scientists have proved that the bumble bee has not enough wing space with which to fly. However, the bumble bee does not know this and flies anyway.

A little colored boy was strangely enough, strolling through a cemetry, reading the inscriptions on the bomb stones.

He came to one which read: "Not dead, but sleeping." Scratching his head, he said to himself, "Dat guy ain't folling nobody but hisself.

Will power is the ability to eat <u>one</u> salted peanut.

Estell Krause: "I was out spoken at the meeting of the Girls "C" "Club."

A Friend: "That's funny, I didn't think anyone could outspeak you."

Herb K: "Darling, do you want to marry a one-eyed man?"
I. Babyak: "Certainly not."
Herb. K: "Then let me carry your umbrella."

A list of winners at a recent picnic was announced as follows:

"Mrs. Venen won the ladies' rolling pin throwing contest by hurling a pin 75 feet."

"Mr. Venen won the 100 yard dash."

Navy Officer: "You can follow your regular trade in the Navy."

Bill Reeves: "But, I used to be a cowboy."

Officer: "So what? You can be a cook and ride the range in the gallery."

Vera B. What do you call a person who drives a car?"

Julia F: That depends on how close he comes to me."

A. Shuman: Well, at least I'm patriotic.

J. Goodish: What do you mean?
A. Shuman: I have a boy at every port.

Mother: Oh, Sonny! You fell in the mud with your new punts on.

Sonny McMahon: Well, Mom, I fell so fast I didn't have time to take them off.

Mr. Crago: What happens when the body is lowered into a tub of warm water?

Jack Goodman: The telephone rings.

F. Nemesh: "Do you know how to make Anti-Freeze?"

D. Campbell: "No."

F. Nemesh: "Hide her red flannels."

Book Salesman: "See this book. It will do half of your school work."

J. Hunyady: "Gimme two quick!"

Miss Steele: "When you are asleep, your head reminds me of a story."
Charles Logoda: "What, Sleeping Beauty?"
Miss Steele: "No, Sleepy Hollow."

Bobby Nickler: to a splendidly uniformed bystander: "Shay call me a cab, hic, will ya?"
Splendidly uniformed bystander: My good man, I am not a door man: I am a Naval Officer.

Bobby Nickler: "Awright, then, call me a bOat. I gotta get home."
